

Hubbard Systems – Accessory & Consumable List
(February 2018)

As well as the full range of 'Scotsman' ice making equipment being made available from the UK distributor, **Hubbard Systems**, there are also a range of accessories and consumables to help compliment any installation & aftercare of an ice machine in order to regularly maintain its expected clean hygienic state. Remember that ice is considered a food product !!!!

NOTE – Any descaling/sanitising fluids should be used with the manufacturers suggested cleaning instructions, available upon request. MSDS sheets are available for any fluids listed below and supplied with the appropriate product.

<u>Accessory:</u>	<u>Supplier Code & Description:</u>	Cost: <i>(LIST PRICES)</i> <i>Unless stated</i>
	XP170 – 0.75m Ice Machine Water Inlet Hose (WRAS Approved)	£12.24
	XP171 – 1.5m Ice Machine Water Inlet Hose (WRAS Approved)	£18.72
	XP185 – 1.0m Stainless Steel 'PEX' Type Water Inlet Hose (WRAS Approved for use in Extreme Hygienic Installations)	£32.37
	XP194 – 1.5m Ice Machine Water Inlet Hose c/w NRV Valve (WRAS Approved)	£23.00
	060513-01 – 1.5m length, 20mm ID, Ice Machine Drain hose	£17.55
	060513-02 – 2.5m length, 20mm ID, Ice Machine Drain hose	£17.55
	ICE0109 – 'Backflow Prevention' TUN Dish adaptor kit (Further details on request)	£40.00
	650071-00 - Small Ice Machine Scoop (Suitable for all AC/EC/AF Ice Machines)	£15.76
	02-0540-00 - Large Ice Machine Scoop (Suitable for all Modular Ice Machine/Storage bin arrangement)	£9.31

	<p>XP189 - Condensate Pump – 2 Litre Tank (Supplied with 2metres of XP190 Tubing)</p>	<p>£144</p>
	<p>EST010-FRAMEASSEMBLY (Self assembly frame. 600mm high, suitable for AC/EC/AF/B/ICE range of cubers)</p>	<p>£96</p>
	<p>AP3-S Water Filter Kit (Suitable for AC/EC 46/56, AF80, B21 Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: CH1157921</p>	<p>KIT: £140.00</p> <p>FILTER: £43.00</p>
	<p>HF20-S Water Filter Kit (Suitable for AC/EC 86 – 176, AF100/200, B31/40 Ice Machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: CH1157917</p>	<p>KIT: £206.00</p> <p>FILTER: £57.75</p>
	<p>HF40-S Water Filter Kit (Suitable for AC/EC206/226, MC16, MF26/36/46, AF20/30, MV306/426/456 Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: CH1157918</p>	<p>KIT: £427.00</p> <p>FILTER: £114.75</p>
	<p>HF60-S Water Filter Kit (Suitable for MC46, MF56/66, MV606/806/1006 Ice machines)</p> <p>'Easy change' Replacement 'Cartridge' Available: CH1157919</p>	<p>KIT: £604.00</p> <p>FILTER: £171.75</p>
	<p>CH20160290 - Water Filter Head – 'By-pass' plug (For use with VH3 Filter Head)</p> <p># DISCOUNTS APPLY FOR BULK PURCHASE #</p>	<p>15.00</p>
	<p>AQU-ACIBHUBB250 – High Capacity/Quality Water Filter Kit (Suitable for all Ice machines upto 40 kgs per 24 hours requiring a high quality water supply to also help reduce further mineral and slime build up – filters require changing on a 10 – 12 month timescale)</p> <p>'Easy change' Replacement 'Cartridge' Available: AQU-EVUL250</p>	<p>KIT: £213.00</p> <p>FILTER: £176.70</p>

	<p>AQU-ACIBHUBB1000 – High Capacity/Quality Water Filter Kit (Suitable for all Ice machines between 40kgs & 120kgs per 24 hours requiring a high quality water supply to also help reduce further mineral and slime build up – filters require changing on a 10 – 12 month timescale) ‘Easy change’ Replacement ‘Cartridge’ Available: AQU-EVUL1000</p>	<p>KIT: £330.00</p> <p>FILTER: £217.00</p>
	<p>AQU-ACIBHUBB – High Capacity/Quality Water Filter Kit (Suitable for all Ice machines requiring a high quality water supply to also help reduce further mineral and slime build up – filters require changing on a 10 – 12 month timescale) ‘Easy change’ Replacement ‘Cartridge’ Available: AQU-EVUL2000</p>	<p>KIT: £595.00</p> <p>FILTER: £345.00</p>
	<p>ICE0107 - 3M-SG Reverse Osmosis Unit (Suitable for all Scotsman Ice Machines) Full specification available upon request. NOTE, a water booster pump may be required to produce a minimum working supply pressure Unit requires a PPM visit to the post filters etc every 2 years. Charges apply for the pre-filters etc – POA Including: CH20017995 – 10 Litre Auxillary Tank NOTE – External Aux Tank may be required for extra RO storage</p>	<p>£1375</p> <p>INSTALL CHARGE: £345.00</p>
	<p>ICE0101 – ‘DEMIN’ Kit (Retrofit kit) (Suitable for AF/MF Ice flakers used on soft or De-Ionised water supply or where the water pressure could then fluctuate)</p>	<p>£103.68 (+ Install Charge)</p>
	<p>HGR-0001 - TC180 – 700mm long, ‘Bottle’ style brush - (For cleaning of drain under drip tray of TC180 unit)</p> <p># DISCOUNTS WOULD APPLY FOR BULK PURCHASE #</p>	<p>£13.00</p>
	<p>3M-7100049729 – ‘Ice Machine’ Sanitising Cleaning System (‘Dummy’ External Water filter dosing system for sanitising water systems of ice machines – For use with VH3 Style Filter Heads)</p>	<p>£27.00</p>

	<p>AQU-NADL - AquaDosa Sanitiser Solution – 1 Litre (Dilution required before use, MSDS Sheet provided)</p>	<p>£23.00</p>
	<p>AQU-NAD65 - AquaDosa Sanitiser Solution – 5 Litre (Dilution required before use, MSDS sheet provided)</p>	<p>£84.00</p>
	<p>AQU-ADW200 - AquaDosa Sanitiser Pre-impregnated Wipes – Pack of 200 (MSDS sheet provided)</p>	<p>£21.50</p>
	<p>AQU-TEST - AquaDosa 'Test' strip (x50) For testing to ensure removal of AquaDosa solution following cleaning of a water system.</p>	<p>£21.50</p>
	<p>ICE CLEAN KIT1 – Ice Machine Descale/Sanitising Kit (Comprising of 1 Litre bottle of Descale fluid 19/0343-3B, 1 x Aquadosa Sanitising liquid AQU-NADL, 1 x Pack of 200 Wipes ADW200 & 1 x TEST strip along with MSDS sheets for products)</p>	<p>Pack Price £82.00</p>
	<p>19-0343-3A - Ice Machine 'Descaling' solution – 5 Litre (Dilution required, MSDS sheet provided)</p>	<p>NETT: £23.00</p>
	<p>ICE0002RC - Ice Machine 'Descaling' solution – 2 Litre (Dilution required, MSDS sheet provided)</p>	<p>NETT: £17.50</p>
	<p>650765-00 - TC180 – 'SINK' (Inset drip tray)</p>	<p>£65.09</p>
	<p>660675-00 - TC180 – 'DISPENSE SPOUT' (Twist/Turn easy fitting replacement item)</p>	<p>£35.33</p>

- All pricing correct at time of assembly of this document, please verify purchase costs when placing any order
