

ESSENTIAL cube ice machines

As essential as a perfect twist.
Small in stature. Big on reliability and ease of use.
A machine that works hard.

HIGHLIGHTS

- **Slide-up door:** because saving space is important, the Essential features a durable slide-up door, so there's no need to plan placement around right - or left - opening doors.
- **Large access area:** to make the most of every trip, a large access area promotes ease of use. Plus, a large, dishwasher safe scoop comes standard.
- **Intuitive control panel:** keeping things simple, the control panel features a prominent on/off/clean switch and easy-to-see buttons for adjusting ice thickness and harvest time.
- **Compact design:** contained width makes it placeable in the tightest locations. Optional kit for undercounter installations.
- **Slide-up door:** low energy consumption and non-ozone depleting R-134a.

Dice ice

Classic six sides ice cube.
The vertical evaporator technology of this ice cube guarantees large ice production at lower operating costs.

Available in several different sizes.
