The Ice Experts!**

Make sure your **Scotsman Ice Maker** is in perfect, hygienic condition, arrange for one of our fully trained and qualified service engineers to visit your business to recommission your Scotsman Ice Machine.

We'll even replace your 3M water filtration cartridge at the same time!

Ensure your ice as hygienic as possible with our accessories...

Saf-T-Scoop & Ice Guardian

Protect ice from dangerous contact with knuckles and thumbs while scooping and serving, the guardian store the scoop hygienically when not in use.

3M Water Filtration Systems

Hygienic ice needs clean, pure, contaminant free water... Ensure your ice maker is making the best ice possible with a new 3M filter cartridge system.

Aqua Dose Wipes

Sanitary wipes specifically designed for use on equipment which processes potable water, ideal for ice makers as they leave no chemical residues.

Replacement Ice Scoops

If your ice machine is missing it's scoop, contact us to order a replacement... It's the easiest way to help prevent contamination in your ice storage bin...
